Our Three Core Themes

The set of core themes for EWU align with the mission and the four Strategic Goals of the EWU Strategic Plan and the three Goals of the EWU Board of Trustees. These core themes are:

1. A rigorous and engaged student learning experience,
2. An academic community that supports and engages faculty and staff throughout their careers,
3. An institution-wide commitment to local, national, and international community engagement and awareness that benefits the university and the region.
