## PAYING TUITION AND FEES

### Payments can be made:
- via EagleNET
- at the General Student Services Area, Sutton Hall, 2nd floor;
- at EWU Spokane, Riverpoint-Phase One Bldg., room 101;
- by mail to Student Financial Services Office, Eastern Washington University, 202 Sutton Hall, Cheney, WA 99004-2448.

Please make your check payable to Eastern Washington University and include your student identification number. Your cancelled check will serve as your receipt. PLEASE DO NOT mail cash.

### TUITION PAY (PAYMENT OPTIONS)

Student Financial Services Office is pleased to facilitate a payment plan. The plan is available through Academic Management Services. This is a “pay-as-you-go” alternative to lump-sum payments and we have found it increasingly popular among students and parents.

Eastern Washington University has found Tuition Pay through AMS to be a very helpful service at a reasonable cost. If you have any questions, need additional information or would like assistance in completing an enrollment form, please call Tuition Pay today at 1.888.664.6082. A Tuition Pay specialist will be happy to help you on the Web at [www.tuitionpay.com](http://www.tuitionpay.com).

### THIRD PARTY BILLING

Students who are sponsored by a third party may request billing to the sponsor for tuition, fees and other related educational expenses.

Sponsor invoicing occurs once per term. Sponsor payments must be received for the current term in order for students to be eligible to continue enrollment in subsequent terms.

In any sponsor billing arrangement, the student is ultimately responsible for payment of university charges. If a sponsor fails to pay any amounts invoiced, those original charges are returned to the student account with any appropriate late payment penalties assessed.

Students or sponsors may request sponsor billing by mailing a signed billing authorization form to the following: Student Financial Services, Attn.: Third Party Billing, 202 Sutton Hall, Cheney, WA 99004.

Complete arrangements for sponsor billing must be made prior to the statement due dates to prevent late payment penalties.

If you have any questions, call Student Financial Services 509.359.6372.

### COURSE FEES

Some courses may require a special course, lab or computer fee in addition to the regular tuition assessed. Students should refer to the course footnotes for specific charges. Additional charges may be assessed for special courses offered by E-Learning & Off Campus Programs. These courses are classified as self-support courses and are charged separately and in addition to regular campus courses.

For a comprehensive list of all courses that charge fees and the amount of the fee go to [www.ewu.edu](http://www.ewu.edu) and do a search for Fee Schedule. Additional charges may be assessed for special courses offered by EWU’s Continuing Education Department. These are noted as self-support classes. For more course fees check the course section search on EagleNET.

### OPTIONAL FEES

Washington Student Lobby is a statewide organization made up of Washington’s five public universities and is located in Olympia. Through contributions, WSL is able to represent student concerns in the state legislature. Support WSL with a $2.00 contribution by marking “yes” on your quarterly registration form. Fee may be paid at Student Financial Services in Sutton Hall. For additional information on WSL or to find other ways to get involved, contact the ASEWU Office located in PUB 303, by phone at 509.359.2514 or call the Olympia WSL Office at 305.280.6200.

### SELF SUPPORT FEES (ONLINE LEARNING)

Courses offered through Online Learning are classified as “self-support.” This on-campus self-support tuition is charged at the current resident undergraduate per-credit rate, for all resident and non-resident students, separate from other EWU tuition that the student owes for the current quarter. Registration obligates a student to payment of all tuition, course and University fees. For more information contact Online Learning, toll free, 800.924.6606 or [outreach.ewu.edu/online/enrollment/tuition-and-payment](http://outreach.ewu.edu/online/enrollment/tuition-and-payment).

STUDENT RESPONSIBILITIES

Please read before registering for courses.

As an EWU student, you are responsible for the requirements and deadlines published in this announcement.

The following processes may be held due to financial obligations: Admission to the university, registration, drop/add activity, conferring of degrees and issuance of academic transcripts may be withheld for failure to meet financial obligations to the university. It is the student’s responsibility to ensure that his/her account is kept current.

Payments received from students will be applied in the following priority: 1) oldest charge, 2) tuition and course fees, 3) housing and dining charges, 4) other charges.

Registration obligates a student to payment of all tuition and course fees. If tuition is not paid by the published due date, students will be assessed a late fee and will be liable for any other reasonable collection costs and charges. Students may check with the Student Financial Services Office, 509.359.6372, to obtain the exact amount of tuition and fees due.

Schedule Confirmation: Check your schedule carefully for discrepancies. You are responsible for ensuring that the courses you select will fulfill degree requirements.

Registering for courses without the necessary co-requisites or prerequisites may result in being disenrolled.

Drop by Instructor: If a student fails to attend an undergraduate class during the first five days of the quarter, the instructor may drop the student from the class. Students should not assume they will automatically be dropped from a class they do not attend. Check with the Office of Records and Registration prior to the end of the drop/add period. Nonattendance does not relieve you of your academic and financial responsibilities.

Please be aware, that being placed on the waitlist indicates that you would like to be enrolled in that course. You are responsible for officially dropping or withdrawing from any course that you have been waitlisted for or enrolled in and do not wish to take. You should not be waitlisted in a course and enrolled in another section of the same course. You also should not be waitlisted into more than one section of the same course.

When a seat becomes available in a course you are waitlisted for, you will receive an email in your Eagles email account telling you that you will be registered for the course. If you have a hold on your record or registration into the course puts you in an overload status (over 18 quarter credits), we will not be able to register you. Please contact our office immediately if you cannot confirm that you have been registered within 24 hours of receiving the email notification. If you no longer wish to be enrolled in the course, you must drop yourself from the course on EagleNET or in person. You are responsible for tuition and fees for all courses you are registered for.

If you have received instructor permission on your registration form to add a course that has a waitlist, we will not be able to register you in the course until the 3rd day of the quarter.

Note: waitlisted course credits are not included in your billing statement or in your credits needed for financial aid.

REQUIREMENT FOR COMPLETION OF PRE-UNIVERSITY BASIC SKILLS

Applicable Courses

CPLA 100–P Grade
ENGL 100–P Grade
MTHD 103–P Grade
MTHD 104 or equivalent with ≥2.0

Students whose placement testing places them in pre-university skills courses must enroll in at least one such course (5 credits) per quarter until these course requirements are satisfied. Furthermore, all students so placed must complete all pre-university mathematics, English and computer literacy courses before the completion of 45 university course credits. Failure to do so will result in a hold on subsequent registration until a plan to satisfy these pre-university requirements is accepted and approved by an advisor in General Undergraduate Academic Advising. Students will need adequate advising to remain in compliance with this policy. "Unavailability of these courses, as certified by General Undergraduate Academic Advising, in a given quarter suspends this requirement for that quarter.

ENGLISH AND MATH COMPETENCY

Each student enrolling at EWU must demonstrate knowledge of the material contained in MTHD 104 Intermediate Algebra—by earning an appropriate score on a mathematics placement test or by required to earn a grade of 2.0 or better in MTHD 104. The credits earned in MTHD 104 will not be counted as part of the 180 credits required to graduate.

To satisfy the English and Mathematics competencies, see the appropriate department.

The Mathematics Placement Test (MPT) dates are scheduled at various times throughout the year. See the Math Department website, www.math.ewu.edu or call 509.359.4311 for test schedules, practice problems and scores necessary to place into various courses. The fee for the MPT can be paid in Sutton Hall, 2nd Floor or EWU Spokane, Riverpoint Campus, Phase I Classroom Building or through your EagleNet account. Students must bring a picture ID to the testing site.

You must complete a placement exam in English if you have not yet completed the equivalent of Eastern's English 101 with a 2.0 or better. You should complete the University Writing Placement Test prior to your first registration at Eastern if required. Normally, the test will be completed during the firstSTEP sessions. The Writing Placement Test will be used to place students into the appropriate composition course.

You should complete your Writing Proficiency Requirements as soon as possible as some courses require ENGL 201 as a prerequisite.

For further information, contact the English Composition Program, 509.359.7064.

SPECIAL PERMISSION COURSES
Registration or adds through EagleNET cannot be processed for independent/directed study and internships courses. These courses require signed permission forms that may be obtained in the academic department. Some courses may require instructor permission prior to enrolling (such as: closed or waitlisted courses; graduate level courses).

Permission must be obtained in writing from the instructor and processed in person at Sutton Hall 2nd Floor or EWU Spokane, Riverpoint Campus, Phase I Classroom Building. See signature information.

PREREQUISITES, CO–REQUISITES AND RESTRICTED COURSES
Many courses have prerequisites or co-requisites required. These prerequisites will be checked on the Student Information System (SIS) and will indicate a message as you are attempting to register. The CRN will also be listed.

Co-requisite indicates that an additional course is required. You must register for both courses (e.g. a lecture section of a course that has a required lab).

Prerequisite indicates that another course, class standing, test or specific grade is required prior to enrollment in this course. These prerequisites are checked against your record on SIS to ensure that you have met requirements prior to enrolling in a course. Transfer students: all of your official transcripts must be received by the deadline posted on the calendar in order for you to receive credit for work completed.

REPEATS
This is general information that may be superseded by specific program rules on repeats, such as those for undergraduate business majors. Graduate students must also follow the specific policies under Academic Standards and Course Repeat in the front section of this catalog.

You may repeat a course for a higher grade. A course may be repeated regardless of its delivery mode (traditional classroom or independent learning). Courses to be repeated for credit value must be identified during the registration process on EagleNET by going to change class options under the registration category or by marking the repeat option square on the paper registration form.

Undergraduate students will be allowed to repeat any single course twice for a total of three enrollments per course. In addition, you are limited to a total of ten repeats. The last grade assigned will be the grade included in the GPA (grade point average) and all grades assigned will remain on the transcript.

Exception
If a student is showing progress over time, then he or she may be allowed to take the course additional times. Any repetitions beyond the two allowed by this policy will only be permitted at the discretion of the department chair where the course resides. The total number of repeats still may not exceed ten.

If you fail to indicate the repeat during registration, there may be detrimental effects on your GPA and total credits toward graduation.

The previous course, along with its credits, grade and grade point average, will remain recorded on your transcript but will be superseded by the new course, grade and GPA. Your cumulative GPA will be adjusted to reflect the new grade.

If you are repeating a course in which you have received a letter grade with no numeric value such as W you do not need to indicate this at registration. You should register for the repeat W course as you would normally register for regular credit and grading.

Courses previously taken may not be repeated under the following conditions:

• receiving a pass (P) grade with the Pass/Fail or Pass/No Credit option;
• to improve an undergraduate GPA after receiving a baccalaureate degree;
• effective spring quarter 2010, courses transferred to Eastern from another institution will not be counted as repeats for the purposes of EWU GPA calculation, but can be used to satisfy prerequisites and all other degree requirements.

AUTHORIZATIONS/OVERLOAD INFORMATION
For registration, an advisor’s authorization is required for the following:

• new (first quarter of enrollment at EWU) students registering for ten or more credits
• all freshmen each quarter
• athletes
• any student on academic probation
• returning students on academic dismissal
• any student enrolling for an overload of credits

Advising is not required but encouraged for those students continuing their enrollment or returning to the University.

No advisor’s authorization is required to add, drop or withdraw from a course or courses prior to the beginning of the quarter, unless an overload or certain hold exists.

Graduate students beginning their first quarter of enrollment must obtain an advisor’s authorization in order to register. An advisor’s authorization will normally not be required for all other graduate students. It is important, however, to plan graduate programs in consultation with advisors and to maintain close contact with advisors throughout degree programs. If a student fails to maintain contact and problems develop with degree programs, these problems are the student’s responsibility. The consequence may be additional time to complete the degree program.

Senior students with exceptional ability and appropriate background may enroll in 500 level courses only with prior written approval of the department chair of the discipline offering the course work and the Vice Provost of Graduate Education or designee.

UNDERGRADUATE OVERLOAD PROCEDURE
Overloading Courses
Undergraduates who wish to enroll in more than 18 credit hours during a quarter must obtain overload permission from their general or department advisor.

Requests for 19 or more credit hours are generally approved only for those with a GPA of at least 3.0. Additional per credit fees are assessed for students enrolled in more than 18 credits per quarter.

VARIABLE CREDIT COURSES
When registering for a class that has variable credit EagleNET will automatically default to 1 credit. Submit the registration and then go to the course options section and change the amount of credits you wish to register for, then submit.

PASS/NO CREDIT GRADING OPTION
Undergraduate students may elect to register for certain courses on a pass/no credit basis. To enroll for P/NC option go to “change class options” under Registration and Schedule page on EagleNET.

The following may not be taken Pass/No Credit:

• major and minor requirements
• required supporting courses
• professional education requirements
• General Education Requirements (GERs)

If this occurs, the Pass/No Credit grade will be removed and the numeric grade submitted by the instructor will be posted to the transcript. A “P” grade will be granted if the student earns a grade of 2.0 or higher. Students may not enroll for Pass/No Credit in 500–600 level courses. Changes to or from the Pass/No Credit option are accepted through the end of the 7th week of the quarter (see calendars). Schedule change fees may apply. See the General Catalog for details.
CLASS ATTENDANCE

If you attend a class for which you are not registered (including sections of a class) you will not receive credit for the course.

Failure to attend class during the first five days of the quarter may result in loss of registration in an undergraduate course section in order to provide space for other students. Contact the course instructor for the nonattendance policy for that class.

Students who register for a class they do not attend are responsible for dropping the course officially through the Records and Registration Office. Students who do not drop such a course will receive a 0.0 grade for that course and are held responsible for tuition and fee charges. Students are responsible for dropping all classes they do not plan on attending.

COURSE DROPS/WITHDRAWALS

Courses officially dropped/withdrawn through the Records and Registration Office or EWU Spokane, Riverpoint Campus, Phase I Classroom Building prior to the beginning of the quarter and through the 10th day of the quarter will not be recorded on the student's record and the student will not be allowed to register unless Registration. When a student reaches nine withdrawals, a registration hold will be documented and approved by Records and Registration would only be counted as a withdrawal for special reasons (for example, extended illness, accident or military service) as approved by the Dean of Students. Documentation may also be required in certain cases. Instructor's permission may be required after the seventh week of the quarter.

Withdrawal from all courses for a quarter is allowed a total of 10 course withdrawals in their undergraduate work. (Withdrawals occur after the normal drop/add period.) Withdrawals from the graduate studies website at www.ewu.edu/grad to Graduate Studies, 206 Showalter Hall, Cheney, WA 99004-2444. For further information about admission and other graduate policies and procedures, call or email the Graduate Studies Office, or visit the graduate studies website at www.ewu.edu/grad.

GRADUATE STUDENT OVERLOAD PROCEDURE

Course Loads

The minimum full-time enrollment for graduate students is 10 quarter credits for students on a quarter calendar (QC) and 15 quarter credits for students on a semester calendar (SC). A standard study load normally involves around 12 quarter credits for full-time QC students or 18 quarter credits for full-time SC students. The course load of graduate students may not in any term exceed 18 quarter credits for QC students or 27 quarter credits for SC students without the approval of the student’s advisor and the appropriate department chair or designee. Students receiving a graduate service appointment must also have the approval of the vice provost for Graduate Education and Research to enroll in overload credits. Call 509.359.6297 with any questions.

GRADUATE DEGREE CANDIDACY

Students who have been admitted to a graduate degree program must apply for degree candidacy after completing 15 graded credits toward program requirements, at least 10 of which must be in courses numbered 500 or higher, and before completing one-half of the minimum credits required for the degree. By approving the candidacy application, the department formally encourages the student to complete the degree program and establishes the departmental faculty membership on the student’s graduate committee. The student’s entire program is planned at this time, and the student is protected against subsequent program changes. An application for degree candidacy may be based on either the current catalog requirements or on those in effect at the time of admission.

Students may obtain instructions and a graduate degree candidacy application form from their departmental graduate program director or from the Graduate Studies Office in 206 Showalter Hall on the Cheney campus or EWU Spokane, Riverpoint Campus, Phase I Classroom Building, room 101. All graduate forms are also available from the graduate studies website at www.ewu.edu/grad.

FINANCIAL AID AND SCHOLARSHIPS

With the exception of work study, financial aid is normally disbursed in even quarterly installments and applied first to your university charges (tuition, fees and on-campus housing). According to your preference, the remaining balance is delivered to you by mail or to your bank account by direct deposit. If you have not selected an option, please contact Student Financial Services at 509.359.6372.

If you select direct deposit and meet the following conditions, your aid will be available on the first day of the quarter. If you select the mail option and meet the following conditions, your check will be mailed on the first day of the quarter.

You must be enrolled as a full-time student (12 credits for undergraduate, certificate, and post-baccalaureate, and 10 credits for master's/doctoral candidates) unless you have prior approval to receive aid as a part-time student. If you are receiving Direct Loans only, you need to be enrolled for at least half-time status (6 credits for undergraduate, certificate, and post-baccalaureate, and 5 graduate-level credits for Masters/Doctoral degree candidates). Wait listed classes DO NOT count toward your total enrolled credits.

1. You must meet the requirements of the EWU Satisfactory Academic Progress policy. This policy applies to all financial aid recipients and to all periods of attendance prior to the receipt of financial aid. A copy of the policy is available in the Financial Aid Office or on the Web (www.ewu.edu/financialaid). This policy should be reviewed by all students applying for and receiving aid.

2. All required forms must have been submitted to the Financial Aid and Scholarship Office, including a signed copy of your Financial Aid Notification.

3. All financial holds must be cleared.

4. First time borrowers under the Federal Perkins Loan program must submit a Loan Information/Rights and Responsibilities sheet and sign a promissory note in the Student Financial Services Office (Sutton Hall 2nd Floor).

5. For Direct Loans, the federal government must send the funds to EWU before money can be disbursed to you. For the Direct Loan, you must complete an electronic Master Promissory Note (MPN) and an Entrance Counseling session at www.studentloans.gov if you are a first time borrower.

6. The Direct PLUS Loan will be disbursed according to the option selected by your parents on the Parent Loan Request form.

7. For the Direct Graduate PLUS, Alternative, and Alaska Loans, the federal government or State of Alaska must send the funds to EWU before money can be disbursed to you.

8. For private scholarships, your donor must send the funds to EWU before disbursement.

9. For EWU scholarships, you must return the Scholarship Acceptance form and a “thank you” letter for the donor before funds will be disbursed.

If you have not met these conditions by the first day of classes, your aid will be disbursed within one week after the conditions have been met.

Work study funds are paid as earned. Pay dates are on the 10th and 25th of each month. Your earnings can be sent by check to your local address or deposited directly to your bank account.

Note: If you have received a bachelor’s degree from EWU, you must be seeking one of the following to be eligible for further aid: 1) master’s or doctoral degree, 2) teacher certification, 3) a different bachelor’s degree or 4) a second emphasis in your first bachelor’s degree that requires a minimum of 45 credits to complete. You must apply for admission to a master’s degree program or declare your new degree by completing a major declaration card in your academic department and taking it to Records and Registration (201 Sutton Hall) to update your records.

RETURN OF FINANCIAL AID FOR WITHDRAWALS

If you withdraw from all courses before the first day of classes, all of your financial aid is returned to the aid programs. If you withdraw any time up through the 60 percent point in the quarter, a percentage of your aid is returned to the aid programs, depending on how long you attend. After 60 percent of the quarter has passed, you are considered to have “earned” all of your financial aid and no money is due back to the programs. Your withdrawal date is used to calculate the amount of financial aid to be returned. The withdrawal date is: 1) the date you began the withdrawal process or officially notified the institution of intent to withdraw; or 2) your last date of documented attendance at an academically related activity. If you leave without notifying the institution, your withdrawal date is: 1) the midpoint of the period or 2) your last date of documented attendance at an academically related activity.

Withdrawing from classes may have several adverse consequences, including: 1) repayment of a portion of your financial aid, 2) having to pay for any university charges from your own funds and 3) suspension from financial aid in future quarters. We strongly urge you to see a financial aid advisor if you plan to withdraw or drop below full-time standing. If you find it necessary to withdraw from Eastern, please follow the process for official withdrawals as outlined in this quarterly Course Announcement. A detailed copy of the withdrawal policy (Return of Title IV Funds) is available from the Financial Aid and Scholarship Office.

SHORT TERM LOAN PROGRAM

The Short Term Loan Program is available to all EWU Students enrolled at least half-time (5 credits for Master’s/Doctoral candidates, 6 credits for all others). The program opens the day before the quarter begins, applications are available in Student Financial Services or on the Web at: www.ewu.edu/sfs. Loans are available through the end of the seventh week of each quarter (fall, winter and spring). During summer quarter, the program will close at the end of the fourth week of the eight week session. The program may close earlier if funds are depleted. The loan is $400, less a $15 processing fee. The loan must be repaid within 60 days. EWU reserves the right to deny loan applications if:

1. a student already has an outstanding loan,
2. a student is currently past due on a loan,
3. a student has paid prior short term loans after the due date.

Short term loans may be prepaid at any time before the due date without penalty. Past due loans are subject to a $25 late payment fee under the University collection policy. A portion of the short term loan fund has been contributed from the estate of Ellis S. Gottebehuet in recognition of Claude W. Gottebehuet.

To ensure that you get the correct books for your classes, please bring a copy of your
class confirmation with you to the Bookstore. Many of the courses have more than
one section, so please be sure that your registration form lists not only the course
you are registered for, but also the section number. This will help you get the correct
book for your class.

Campus Store Hours:
Monday–Thursday 7:30 A.M.–5:30 P.M.
Friday 7:30 A.M.–4:30 P.M.
Saturday 11 A.M.–3 P.M.
Sunday Closed

Hours vary during the start of each quarter and during breaks. Call the Bookstore
for information on the extended hours. The phone number for the campus store is
509.359.2505.

BOOK BUYBACK
The campus Bookstore operates a daily book buyback inside the store at the Customer
Service Counter. In addition to this daily buyback, at the end of each quarter during
finals week, representatives from a used book wholesale company will purchase used
textbooks. If the Bookstore has an order from the department to use a specific textbook
again, they will buy it back at one-half the new retail price, until they meet their limit.
If a book is not being used on campus the following quarter, the wholesaler will buy
it based on the current market demand for that textbook.
As always, check for current events, hours of operations and general bookstore
information at www.bookstore.ewu.edu

ENROLLMENT VERIFICATIONS/CERTIFICATIONS

Online Enrollment Verifications for Students: Students may access enrollment verification certificates via their EagleNET account. Go to the Student Record section of EagleNET and click “Online Enrollment Verification” to access free enrollment verifications.

Online Enrollment/Degree Verifications for Others: Eastern Washington University is contracted with the National Student Clearinghouse (NSC) to verify EWU enrollments and degrees. We no longer provide verifications by phone.

Enrollment/Degree Information Availability: Enrollment information is sent electronically to the NSC three times a quarter (at the start of the quarter; at 10th day; and approximately 10 days after the quarter ends) and four times for semester-based programs (at the start of the quarter; at 10th day; midterm; and approximately 10 days after the semester-based program ends).

Degree information for each term is sent electronically to the NSC twice (once approximately 10 days after the quarter has ended and a second time approximately 10 days after the next quarter ends).

When is a student at Full-Time Enrollment?

Undergraduate: 12 credits—full-time student receiving financial aid or veterans benefits. Graduates: 10 credits—full-time student receiving financial aid or veteran’s benefits. International Student: 12 credits—undergraduate full-time student; 10 credits—graduate full-time student.

Exception to Online Verifications: If a student is requesting enrollment or degree verification from NSC and our institution does not have their Social Security Number on file they will receive a message telling them they do not have a Social Security Number (SSN) on file. They may have your number added to your file by sending a copy of your Social Security Card and a letter to the Records and Registration office at the address listed on the left side of this page requesting we add your SSN to your record. Your signature must appear on the letter. If you know what your EWUID is, please include the number in the letter. Mark it to the attention of the Records Team. You may also fax the data to us using the Fax number on the left. We will input the number and notify the NSLC as soon as possible to update their records. You may contact a member of the Records Team by calling 509.359.6887. We are not able to take your request over the phone as it requires your signature.

For special documentation requiring a University Seal, Registrar signature, Academic Standing or other documentation on your academic record, please contact Records and Registration, at 509.359.2321 or regonline@ewu.edu. (Examples of special documentation include: Good student insurance discounts, Alaska Department of Revenue, Canadian Student Loan Program or Tax Commission.)

RESTRICTING “STUDENT DIRECTORY INFORMATION”

Certain categories of student information are considered “open” or directory type information and may be released to the public if the student is enrolled at the University at the time of request.

Directory information includes

- name
- addresses
- telephone number
- major field of study
- participation in officially recognized activities and sports
- dates of attendance
- degrees and awards received and the most recent previous educational agency or institution attended by the student.

All other information regarding a student’s record or attendance is restricted and may not be released without the student’s written consent. This includes, for example,

- the courses in which a student is enrolled
- the number of credits a student has earned
- as well as any grade or other related information

This policy is in compliance with federal rules and regulations and is intended for the privacy and security of the student and the student’s record.

A student may request that directory information not be released by informing the Records and Registration Office, 201 Sutton Hall. An “Information Restriction Code” will be set on the student’s computer record.

Student Records Policy–Students have certain rights and privileges regarding their individual student records. A student has the right to inspect his or her records. A student may waive the right to access of files or records. Contact the Records and Registration Office, 201 Sutton Hall or call 509.359.2321, for further information.

An information restriction will prevent you from receiving certain university mailings and from having your name released to hometown papers if you receive quarterly deans honors.

LIBRARY PRIVILEGES

The EWU Libraries are available to all students, faculty, staff and the general public. EWU identification cards must be presented to check out materials and to use materials placed on reserve. The EWU EagleCard is the official library card for EWU Libraries.

Library overdue charges, billing fees and replacement costs may be assessed against a student’s billing and receivables account. These charges, if not paid when due, may hold registration, transcript requests and other university services. Also they will be subject to university collection procedures. If you have any questions or concerns, please contact the Circulation Department 509.359.6263.

Through this curriculum, Eastern ensures that all students encounter the core academic disciplines, especially as they apply to major questions of our times.

Computer Literacy
The computer literacy competency requirement may be satisfied by successful completion of a computer literacy examination or completion of the course (or courses) required as a result of the computer literacy examination with a minimum grade of 2.0. These courses may be CPLA 100 Computer Literacy I (1) (graded pass/no credit only) and CPLA 101 Computer Literacy II (1) or CPLA 120 Computer Applications Literacy (5). Credit for CPLA 100 does not count toward total graduation credits.

Students may be placed into English Composition courses by several means. All Running Start students must take the English Composition Program’s Writing Placement Test to determine their placement. Students may be placed using their SAT critical reading (formerly verbal) scores, their ACT English scores, or their TOEFL scores, if available. Students who do not have an SAT critical reading score, an English ACT score, or a TOEFL score and who did not complete the English Language Institute (ELI) program must take the Writing Placement test to determine placement. Transfer students may be placed into a course if they have transferred equivalent composition courses to Eastern. Finally, they may take the Writing Placement test if they do not have test scores and have not transferred any composition credits. (For A.P. credit see page 21 of the catalog.)

SAT critical reading scores
• 440 or below must meet with a general academic advisor to determine placement

MAJOR DECLARATION PROCESS
Major Declaration Deadline—You are required to officially declare a major by the time you have completed 90 credits. If you fail to do so, you will be required to have an advisor’s authorization from General Undergraduate Academic Advising (GUAA) prior to registration for each quarter that you remain undeclared. It is important for students needing advising assistance to make appointments by coming to Sutton Hall 1st floor or calling (GUAA) at 509.359.2345.

GRADUATION AND CREDIT REQUIREMENTS
You must meet the following requirements to be eligible to graduate:

Minimum Credits
• 180 cumulative credit hours: Credits earned in MTHD 100, 103, 104 and MATH 199, CPLA 100 and ENGL 100 do not count toward the 180 cumulative credits. A maximum of 90 credits taken at the community college level may be applied toward the 180 total.
• 60 upper-division credits (300 level or above)
• 45 credits in residence (attendance) at Eastern, with at least 15 upper division credits in your major in residence at Eastern.

Minimum Grade Point Averages
≥2.00 cumulative GPA for Eastern Washington University course work.
≥2.00 cumulative GPA for all college-level course work (includes courses taken at other colleges or universities).
≥2.00 cumulative GPA for all General Education Requirements and University Graduation Requirements.
≥2.00 cumulative GPA in major program, subject to departmental requirements.
≥2.00 cumulative GPA in minor program, subject to departmental requirements.

Application for Graduation
As you near completion of your undergraduate degree requirements, you must file an Application for Graduation. You may apply online for graduation by going to EagleNET (https://eaglenet.ewu.edu) and completing the information requested. You will still need to complete the Major/Minor Approval form in order to have your major and/or minor requirements signed and approved by your department. This form is then turned in to the Evaluations Office, within Records and Registrations, Sutton Hall 201. Graduation application deadlines are available online, in Sutton Hall, in your department’s office and in the tri-quarter course announcement. This application process provides you with a timely opportunity to review your degree requirements and to plan or change your course schedule to ensure completion of all requirements.

If you do not complete all degree requirements in the quarter for which you apply for graduation, you must re-apply for a subsequent quarter by contacting the Evaluation Office. A re-application fee will be assessed.

Graduation application and reapplication fees are available online at www.ewu.edu or contact Student Financial Services at 509.359.6372.

You must:
• complete an Application for Graduation/Major/Minor approval form;
• meet with department advisors and obtain all required signatures;
• pay graduation fees on the 2nd Floor of Sutton Hall or at Riverpoint;
• deliver the form to the Evaluation Office in Sutton Hall.

VETERANS RESOURCE CENTER

Veterans Resource Center
359.7040
122 Showalter Hall
www.ewu.edu/veterans

The Veterans Resource Center provides critical services and support for our veterans: active-duty, National Guard and Reserve military personnel, their spouses and dependents. The center will assist our veterans’ transition back into civilian life as they learn to navigate the university system. It will support the unique recruitment, retention and educational needs of students whose lives are inextricably connected to the military.

The Veterans Resource Center provides the following:
• GI Bill benefits;
• admissions and financial aid counseling;
• targeted recruitment;
• academic and personal advising;
• liaison with disability services;
• referrals to campus support services;
• specialized tutoring;
• support for veterans’ student club;
• activities for veteran and military students and their families;
• public presentations and speakers;
• workshops for veteran and military students;
• faculty and staff training.

The Veterans Resource Center also provides a space for veterans to socialize, a computer lab and conference/workshop space.

EWU expects to increase the number of student veterans utilizing GI benefits each year, and to see a student retention rate among veterans that exceeds the general student population.

Providing education to the wider community is also a mission of the center, as it aims to organize discussions and symposia on such topics as best practices for supporting military service members and serving veterans in higher education.

The Veterans Resource Center will have a robust online program to reach individuals even while they are on active duty.

The center staff includes a director, an academic advisor, a financial aid specialist, VA work study students and faculty liaisons.

The Veterans Resource Center facilitates faculty liaisons in each college to ensure effective communication and coordination with those EWU departments and staff that regularly interact with veteran and military students.

HEALTH RISKS ASSOCIATED WITH THE ABUSE OF ALCOHOL AND USER OF ILLICIT DRUGS

Alcohol (similar adverse effects seen with other depressants like Barbiturates & Tranquilizers)

Alcohol abuse is involved in the majority of violent behavior incidents: date rape, vandalism, fights and driving under the influence. Alcohol (and other depressant) abuse results: impaired judgment and coordination, aggressive behavior, impairment in learning and memory, respiration depression, coma and possibly death when combined with other depressants.

Club Drugs (GHB, Rohypnol & Ecstasy)

GHB is an illegal depressant (liquid or powder) which is odorless & colorless (therefore can be easily slipped into drinks undetected). GHB can be used to facilitate rape because it causes impairments in judgment, sleepiness and amnesia. Rohypnol also known as ‘Roofies’ is a strong depressant drug, commonly known as a “Date Rape” drug. When ingested with alcohol and other drugs, effects begin within 3 minutes, and peak within 2 hours. MDMA /Ecstasy/XTC is a hallucinogenic mind-altering drug. Some adverse effects: confusion, depression, sleep problems, severe anxiety and paranoia, nausea, blurred vision, faintness and possibly long-term brain damage.

Marijuana

The effects associated with marijuana use include: increased blood pressure, dry eyes, decreased perception, impaired coordination, dizziness, sleepiness, anxiety, and loss of appetite, coma, and death may result.

Amphetamines & Other Stimulants

Symptoms of stimulant abuse include: increased heart and respiratory rates, elevated blood pressure, dilated pupils, increased perspiration, headache, dizziness, sleepiness, anxiety, and death may result.

Hallucinogens

Hallucinogens or psychedelics are mind-altering drugs which affect the mind’s perception, causing bizarre, unpredictable behavior and severe, sensory disturbances that may place users at risk of serious injuries or death. The combination of hallucinogens with other substances, like alcohol or marijuana, can increase the chance of adverse effects and risk of overdose as well.

Inhalants

Psychoactive substances inhaled as gases (example paint thinners, cleaning fluids, etc) adverse effects may include: nausea, sneezing, coughing, nosebleed, fatigue, lack of coordination, brain and nervous system damage, and death may result.

Cocaine

Use produces psychological and physical dependence. Adverse effects: elevated blood pressure, heart rate, respiratory rate and body temperature, HIV/AIDS (sharing needles), chronic use can result in ulceration and rupture of the mucous membrane.

Steroids

Chemical compounds which are available legally and illegally. Some possible side effects of steroids include baldness, acne, lower sex drive, mood swings and liver/kidney damage.

STANDARDS OF CONDUCT

As required by federal law, the University cooperates with law enforcement authorities in referring for prosecution of unlawful possession, use or distribution of alcohol and illicit drugs by students or employees on University premises or as part of any of its activities. Please refer to WAC 172-64 for a comprehensive listing of the EWU Alcohol Policy.

STUDENT CONSUMER INFORMATION FOR CURRENT AND PROSPECTIVE STUDENTS

The Higher Education Opportunity Act of 2008 (HEOA) requires that postsecondary institutions participating in federal student aid programs make certain disclosures to students. The following information is disclosed to you as a student at Eastern Washington University (EWU) in compliance with federal law. For additional information, including paper copies of any materials, please contact the appropriate office or visit the listed websites. Additional student consumer information is available on the Eastern web site at: www.ewu.edu.

PRIVACY OF STUDENT RECORDS—FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)
The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99), also known as the Buckley Amendment, is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA rights transfer from the parent/guardian to the student when he or she reaches the age of 18 or attends a school beyond the high school level. It gives students the right to:
• Inspect and review their education records maintained by the school.
• Request that a school correct records which they believe to be inaccurate or misleading.
• Consent to the release of their educational records to a third party.
• Receive annual notification of their privacy rights.

Information on FERPA is published in the Eastern catalog, Student Handbook, and on the EWU web site at: access.ewu.edu/records-and-registration/student-records/ferpa. Questions related to FERPA can be directed to EWU’s Office of Records and Registration, 509.359.2321.

Federal law provides that a student who has been convicted of an offense under any federal or state law involving the possession or sale of a controlled substance during a period of enrollment for which the student was receiving financial aid shall not be eligible to receive any federal or institutional grant, loan, or work assistance. Further details are available at: www.ewu.edu/groups/financialaid/federal_finaid_drug_law_penalties.pdf

Current EWU fire safety policies can be accessed at: access.ewu.edu/police. The university is developing a fire safety report that will be available at a later date on the EWU web site.

INFORMATION FOR CRIME VICTIMS ABOUT DISCIPLINARY HEARINGS
Institutions must, upon written request, disclose to the alleged victim of any crime of violence or a non forcible sex offense, the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of the crime or offense, the information shall be provided, upon request, to the next of kin of the alleged victim.
